PRONTO NEO

ELECTRIC INSTANT WATER HEATER

Italian art for Indian bath.

Every day is an opportunity unknown. Every day is the beginning of something beautiful. A day with endless possibilities. And to make the most of your day, all you need is a great, energetic start to your morning.

Racold Thermo Ltd. has helped you begin your day with this spurt of energetic great start for the last 50 years. *A fully owned subsidiary of Ariston Thermo Group*, the world's no.1 water heating company, Racold is the first company in India to win the energy conservation award 5 times from the Bureau of Energy Efficiency for electric storage water heaters.

Pronto Neo comes with an attractive Italian Design and Rust proof outer body, ensuring longer product life.

Elegant Italian design with a rare combination of technology and style.

The high-power heating element ensures you get hot water in no time.

Stem-type thermostat and cutout ensures automatic temperature control and extra safety.

The Anti-syphoning system prevents the back flow of water from the container, thus avoiding dry heating.

Its high pressure withstanding capacity (6.5 bar) makes it suitable for high rise buildings and high pressure pump applications.

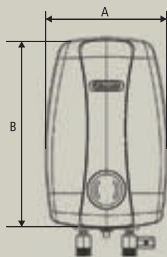

The high density and thick PUF ensures retention of internal heat & temperature, resulting in better energy efficiency & reduced electricity bills:

Provides three levels of safety against high temperature & pressure with cutout, thermostat and safety valve.
