

Introducing Platinum Plus  
**Exquisite Design,  
Excellent Performance.**

India's largest provider of water heating solutions.

# Platinum Plus

Every day is an opportunity unknown and the beginning of something beautiful. To make the most of your day, all you need is a great, energetic start to your morning.

Racold has helped you begin your day with this spurt of refreshing energy for the last 50 years. A fully owned subsidiary of Ariston Thermo Group, the world's leading thermic solutions company, Racold is the largest provider of water heating solutions and India's most trusted brand (as per Brand Trust Report 2016). Racold is the first water heater brand in India to be recognized by the Bureau of Energy Efficiency (BEE) successively for the last 9 years. It has won the "Energy Conservation Award" from 2010 to 2016 followed by the "Most Energy Efficient Appliance of the Year" award In 2017 and 2018.

Platinum Plus is a unique combination of exquisite, space saving design and excellent performance, with high-power 3kW heating element and Titanium enamel coating. Platinum is light weight and aesthetic, suitable for high-rise buildings and high-pressure pump applications.

The high power 3kW heating element ensures you get hot water in no time

Elegant Italian design with a rare combination of technology and style.

Titanium enamel coating provides extreme protection from corrosion, compression and pressure resistance.

Its high-pressure withstanding capacity (8 Bar) makes it suitable for high-rise buildings and high-pressure pump applications.

Provides three levels safety against high temperature and pressure with thermostat, cut out and safety valve.

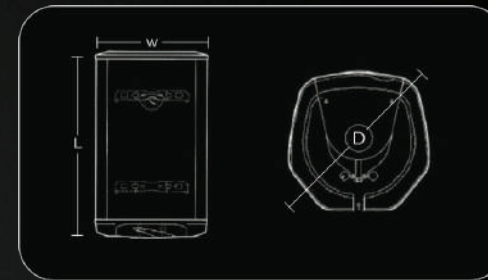

A five-star rated product, it has high density and thick PUF that ensures energy efficiency and reduced electricity bills.

Larger capacities come in compact designs with smaller heights.

## Technical Data

Capacity (ltrs.)	50 ltrs.	100 ltrs.
Model	Platinum Plus	Platinum Plus
Type	Storage	Storage
Power Supply	230 Volts, AC, 50 Hz. Single Phase	230 Volts, AC, 50 Hz. Single Phase
Wattage (kW)	3	3
Max Rated Pressure (Bar)	8	8
Installation Type	Vertical	Vertical
Dimesions (in mm) L	613	993
W	493	493
D	499	499

Product	2 yrs
Heating Element	3 yrs
Inner Tank	7 yrs
