

SPACE SAVING

andris slim | ELECTRIC WATER HEATER

andris slim

Every day is an opportunity unknown and the beginning of something beautiful. To make the most of your day, all you need is a great, energetic start to your morning.

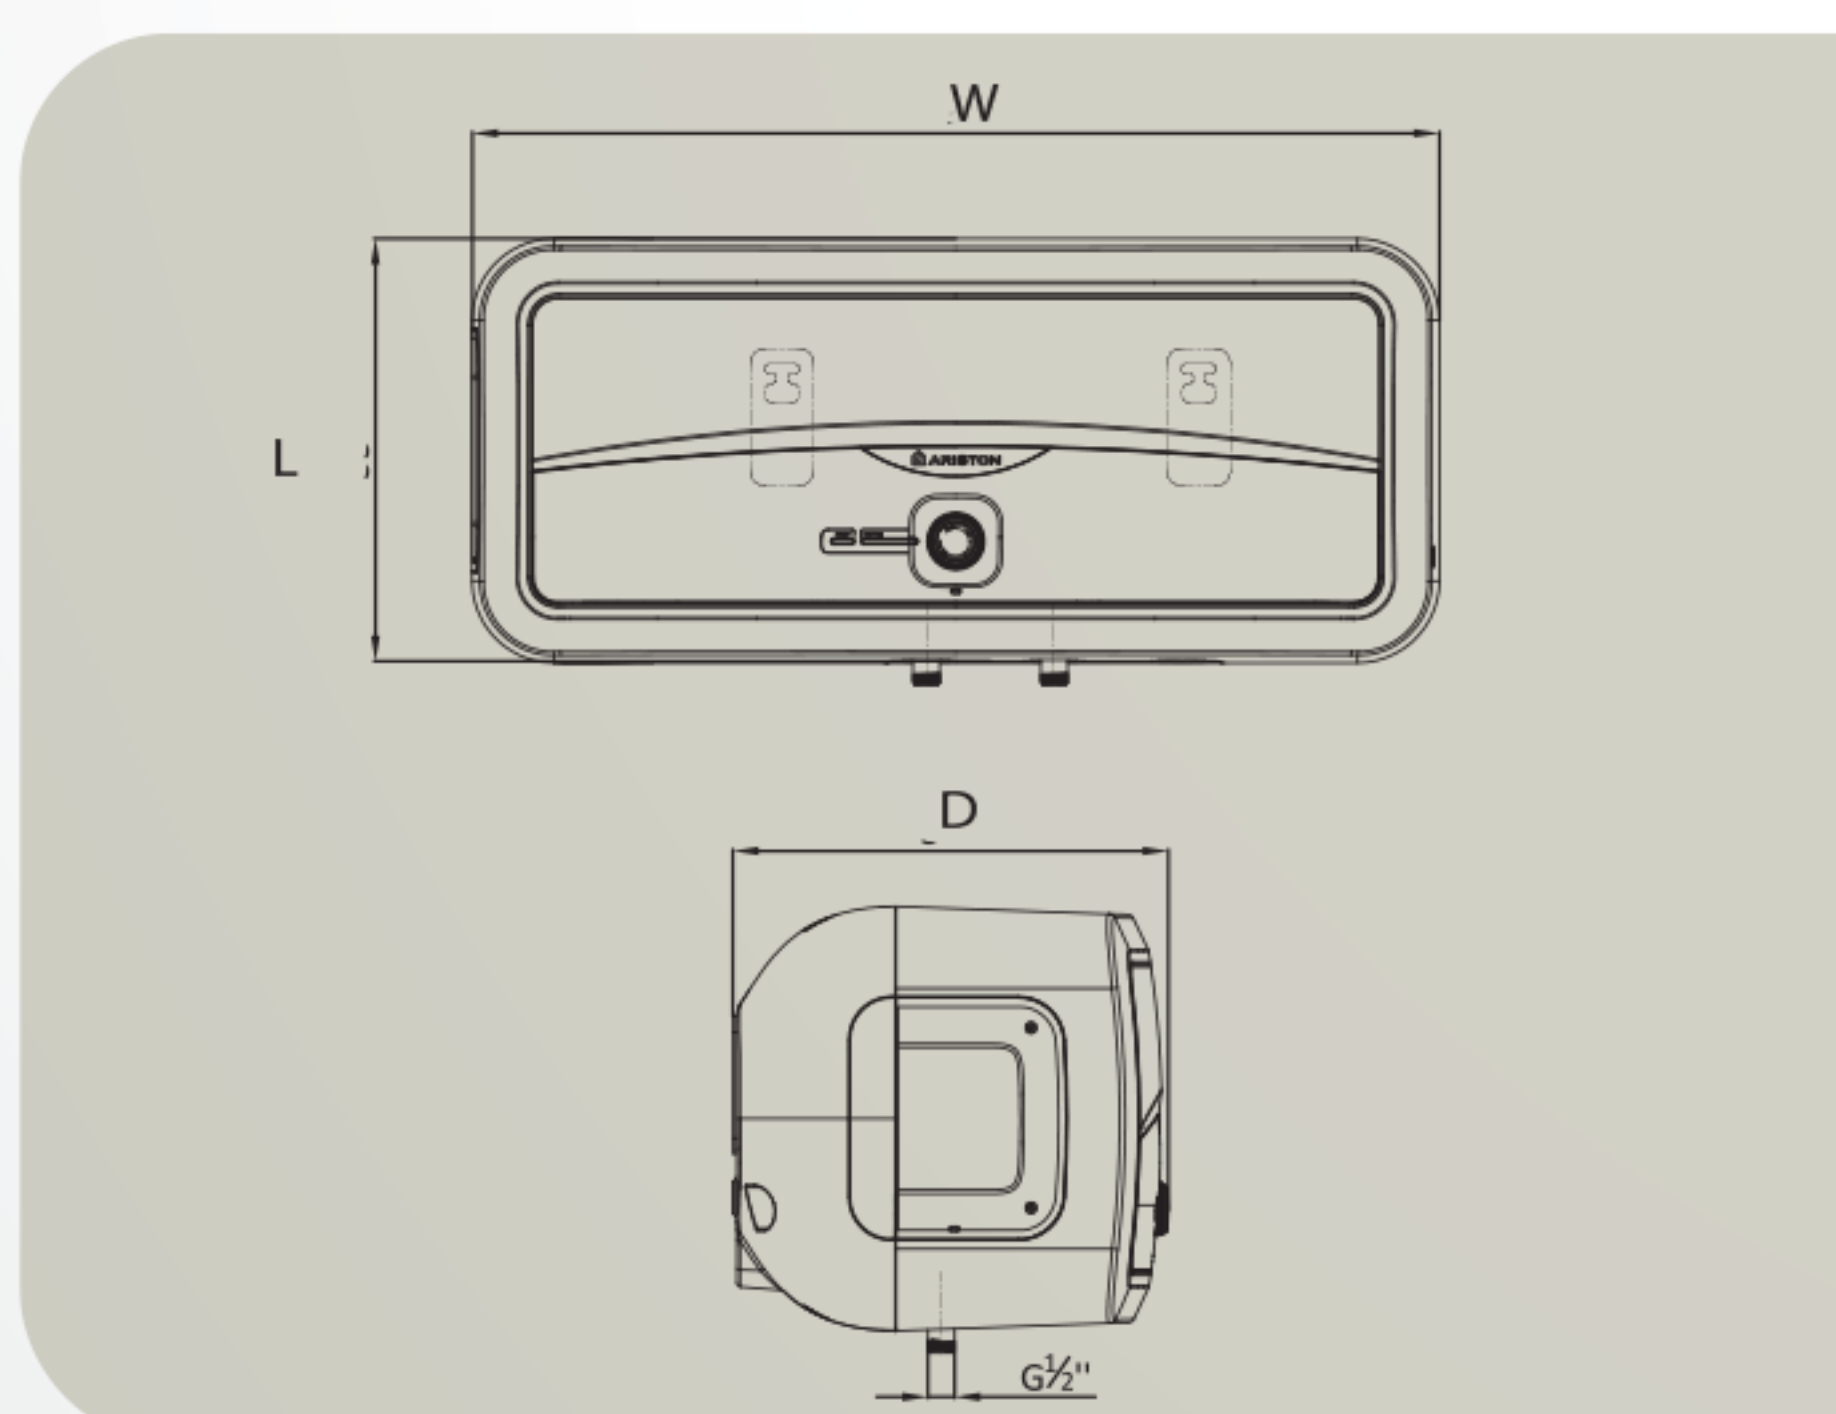

Racold has helped you begin your day with this spurt of refreshing energy for the last 50 years. A fully owned subsidiary of Ariston Thermo Group, the world's leading thermic solutions company, Racold is the largest provider of water heating solutions and India's most trusted brand (as per Brand Trust Report 2016). Racold is the first water heater brand in India to be recognized by the Bureau of Energy Efficiency (BEE) successively for the last 8 years. It has won the "Energy Conservation Award" from 2010 to 2016 followed by the "Most Energy Efficient Appliance of the Year" award In 2017.

Andris Slim is the latest offering from Andris family which has a space saving horizontal design. The world renowned Italian designer Umberto Palermo brings his vision to life in this beautiful design exquisitely crafted for modern bath spaces in India.

 SPACE SAVING A compact & utilitarian design for urban bath spaces.	 ITALIAN DESIGN Andris is designed by Umberto Palermo, the iconic product design expert from Italy. It exudes a rare combination of performance and style.	 TITANIUM PLUS Specially designed Titanium steel with Titanium enamel coating gives the tank extreme intensity and durability.
	 TEMPERATURE REGULATION KNOB An easy control knob through which user can regulate heating of water as per his requirement.	 FLEXOMIX The unique inlet flow controls the system and helps to deliver energy efficiency by producing 10% more hot water than traditional water heaters.
	 25% FASTER HEATING The high-power heating element ensures you get hot water in no time.*	 SHOWER READY INDICATOR An LED lamp to indicate when the water is heated and ready for use.

*Under Test Conditions, savings percentage may vary depending on model and place.
