Amore a prima vista

Every day is an opportunity unknown and the beginning of something beautiful. To make the most of your day, all you need is a great, energetic start to your morning. Racold has helped you begin your day with this spurt of refreshing energy for the last 50 years. Racold is the first water heater brand in India to win the Energy Conservation Award from the Bureau of Energy Efficiency 7 times in a row.

With this experience, Racold introduces Andris – a masterpiece that is a class apart. The world-renowned Italian designer Umberto Palermo brings his vision to life in this beautiful design exquisitely crafted for modern bath spaces in India.

ITALIAN ART DESIGNED BY UMBERTO PALERMO

Andris is designed by Umberto Palermo, the iconic product design expert from Italy. It exudes a rare combination of design with style.

SILVER-ION TECHNOLOGY

It actively stops proliferation of bacteria in water to provide healthy and clean bathing water.

TITANIUM PLUS

Specially designed Titanium enamel coating gives the tank extreme intensity and durability.

TITANIUM ENAMELED HEATING ELEMENT

Titanium enamel heating element for efficiency, strength, low energy consumption and longer life.

THERMAL STABILITY DEVICE

This double function feature connected to the thermostat enables energy saving, comfort and safety.

FLEXOMIX

The unique inlet flow controls the system and helps to deliver energy efficiency by producing 10% more hot water than traditional water heaters.

ENERGY EFFICIENT

The unique design of the water heater helps to conserve energy through various inbuilt systems.

HIGH DENSITY PUF HEAT INSULATION

Saves more energy through a thick polyurethane insulation layer for energy saving.

TEMPERATURE REGULATION KNOB

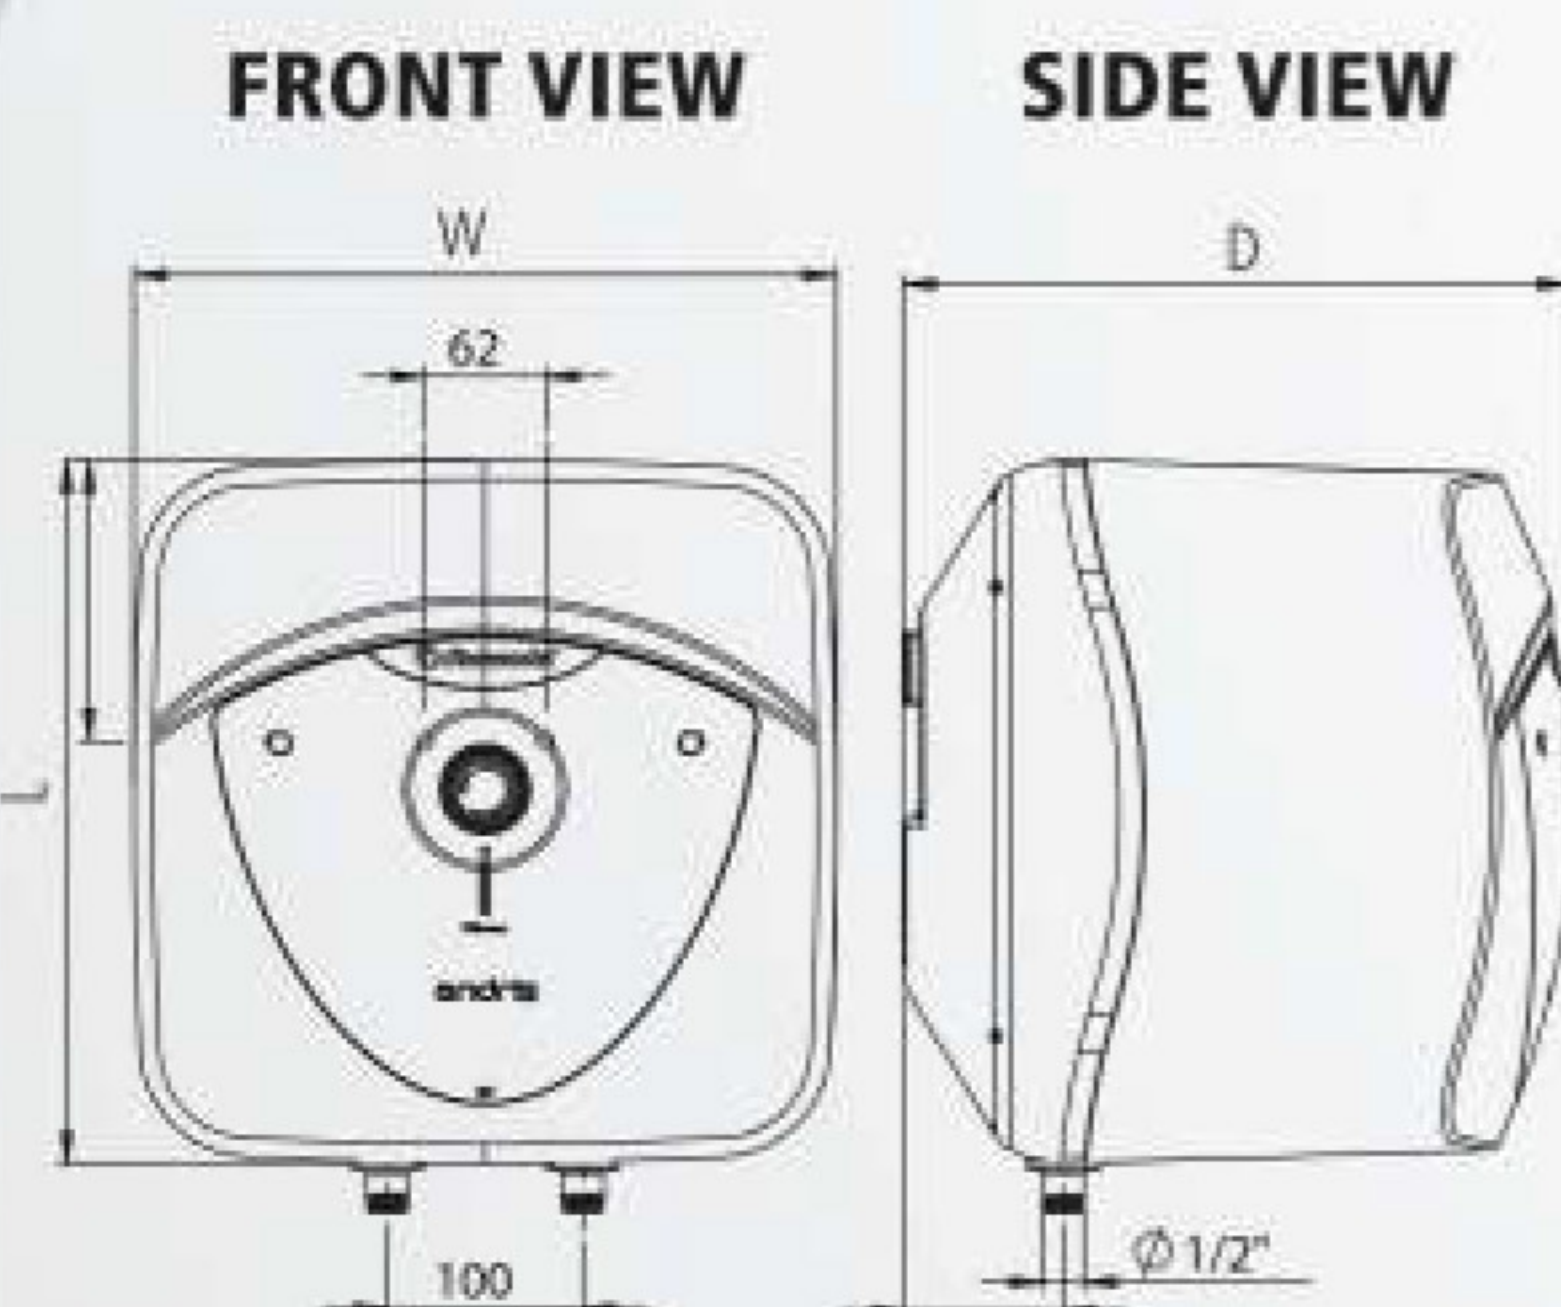

Helps regulate heating of water as per need.

STAR RATING

A 5-star rated product*. It has high density and thick PUF that ensures energy efficiency and reduced electricity bills.
