AURES PRO | THE NO WAIT WATER HEATER

What is an on-demand life? It's when your every demand is met in an instant. Be it shopping or entertainment, be it booking a cab or ordering lunch, everything arrives with just a touch of a button. On-demand life is where you don't have to wait. Which is why, Racold is making sure that you don't have to wait for a hot shower.

Presenting Aures - The No Wait Water Heater by Racold. Now enjoy instant hot water with zero waiting time, all thanks to high powered heating element. For those who hate to wait, Aures provides uninterrupted hot water, no matter how long you choose to bathe. Equipped with advanced technology, so that you get consistent temperature for a seamless shower experience. Its super compact design fits perfectly in modern bathing space, with a stylish finish to complement your interior décor. For multiple bathrooms and even kitchen, Aures is built to deliver instant hot water at multiple* outlets simultaneously. Designed with an interactive digital control, now navigate through the water temperature as per your need.

So, why wait? Choose Aures, because bathrooms shouldn't be waiting rooms. Experience the power of a hot shower with Racold and be reborn everyday.
