# Gas Water Heater | HOT ON TECHNOLOGY

Every day is an opportunity unknown and the beginning of something beautiful. To make the most of your day, all you need is a great, energetic start to your morning.

Racold has helped you begin your day with this spurt of refreshing energy for the last 60 years. A fully owned subsidiary of Ariston Thermo Group, the world's leading thermic solutions company. Racold is the largest provider of water heating solutions and India's most trusted brand (as per Brand Trust Report 2016). Racold is the first water heater brand in India to be recognized by the Bureau of Energy Efficiency (BEE) successively for 9 years. It has won the 'Energy Conservation Award' from 2010 to 2016 followed by the "Most Energy Efficient Appliance of the Year" award in 2017 and 2018. Racold, is the only brand in the water heating category to be chosen as a Superbrand for 2019 after an extensive online consumer voting process.

The ODS ECO Gas water heater is equipped with advanced Oxygen Depleting Sensor (ODS), which immediately turns off the water heater in case the oxygen level in the room drops below usual. This ensures proper ventilation in the room and avoids any hazard for maximum safety.
