Gas Water Heater | HOT ON TECHNOLOGY

Every day is an opportunity unknown and the beginning of something beautiful. To make the most of your day, all you need is a great, energetic start to your morning.

Racold has helped you begin your day with this spurt of refreshing energy for the last 60 years. A fully owned subsidiary of Ariston Thermo Group, the world's leading thermic solutions company. Racold is the largest provider of water heating solutions and India's most trusted brand (as per Brand Trust Report 2016). Racold is the first water heater brand in India to be recognized by the Bureau of Energy Efficiency (BEE) successively for 10 years. It has won the 'Energy Conservation Award' from 2010 to 2016 followed by the "Most Energy Efficient Appliance of the Year" award in 2017 and 2018. Racold, is the only brand in the water heating category to be chosen as a Superbrand for 2019 & 2021 after an extensive online consumer voting process.

ODS-ECO+ is an advanced Instantaneous Gas Water Heater that ensures maximum safety. Equipped with a sleek digital display to keep a check on the water temperature, ODS-ECO+ makes heating safer for the whole family with features like ODS (Oxygen Depleting Sensor), Child Lock and Double Solenoid Valve.

DIGITAL DISPLAY
Sleek display panel for temperature reading

ODS (OXYGEN DEPLETING SENSOR)
To ensure ventilation and to avoid any hazard for maximum safety

DOUBLE SOLENOID VALVE
Advanced safety feature with two solenoid valves to deliver double safety and complete peace of mind

CHILD LOCK
Added feature to protect children against accidents

ADVANCED PROTECTION THROUGH SMART FLOW SENSOR
Allows ignition only if there is a flow of water for complete safety

WINTER / SUMMER FUNCTION
Adjustable as per weather conditions

85% HEATING EFFICIENCY*
Greater economy through maximum heating efficiency

SUITABLE FOR LOW PRESSURE
Helpful for areas having low water pressure
